The Codes for Success is a digital, numeric, geometric language which speaks directly to the information fields or memory fields that hold the record, past and present, of who you are and what your potential is. These fields are like computer memory. Like the Biofeedback program, the *software of your field can be worked on using these geometric codes and kinesiology*. It is **powerful work that shifts the old tapes and programs, so you can “truly allow your gifts to shine.”** These changes are more powerful than affirmations as they erase the old memory tapes and replace them with new positive growth intentions. I have seen shifts in myself and my family in just 6 days!!!! I have seen shifts in my clients that are amazing! After a Miracle integration, one bright 8-year-old girl said, “I feel smarter.” The work was originally created by the brilliant Dorothy Wood Espiau and was called the “Circles of Life” in 1985.

What can you expect?

- Your life to change positively! And it sticks!
- Experience a Life Changing Miracle Integration– deals with the way we learn, see ourselves and the world, and the way we hear and comprehend. Also great for kids and adults with dyslexia and learning issues.
- Learn Mind Gems– These quick, simple techniques re-circuit the electrical system of the body. The body movements of the **Mind Gems** “switch on” and maintain a balance in your energy field, through vibration and electrical impulses.
- Learn Positive Points– Using these points can create a sense of balance in the body that allows you to “**de-stress**” quickly and easily in your daily life.

There are 4 integrations in the program:

1. **Miracle**- deals with the way you learn, see yourself in the world and the way you hear and comprehend. It deals with dyslexia, all midline movements and more.
2. **Four in One**- addresses the way you communicate, especially with yourself. It restores self-trust and inner hearing.
3. **Peace**- restoration of lost ideals and violation of the universal laws.
4. **Living**- restores your ability to receive and to be blessed. It deals with digestion of life and forgiveness.

What Kind of Changes can the Codes for Success help with?

- Up Leveling your life and business
- Physical injury, accident, disease or illness
- Emotional injury, trauma, stress, anxiety, safety or survival issues
- Clearing, grounding, and perspective in day-to-day life

This class is taught by Louise Swartswalter who has used this work successfully in her Natural Health and Biofeedback practice for the past 12 years!

I am so excited to bring this to YOU! My whole life changed and DOORS OPENED that allowed me to pursue my dream of opening an office and teaching optimal health and wellness to families! You have choices and can design your life!

I wanted to thank you for bringing me into the world of integrations. I've done 5 sessions with you and just felt the need to let you know that each and every one has been forever life changing for me! Because of these sessions, I feel like a more solid, grounded and complete person now. There's no way I would have been able to move forward like this in my life if I had never done these. My health is finally back on track and my brain is back to normal!! I am more happy and healthy and feel so much lighter and more positive. I am excited again to be living life and feel as if a huge weight has been lifted from me.
– Thank you, Heather, Albuquerque, NM

Lisa shares her transformation: *I was feeling heavy and disconnected and I thank Dr. Louise. Her words and intuition were right on and she found things in me I did not know were there. I feel so much lighter and more present after Dr. Louise did her magic clearing. My breathing returned to normal, it was amazing! When Dr. Louise cleared my field and used her biofeedback frequencies I felt supported through the whole event. This was our best event ever and I am so grateful to Dr. Louise. "Louise's **brain-soul work** is so needed in these times."*
– In deep gratitude, Love, Lisa Sasevich, The Queen of Sales Conversion, California

B.R.A.I.N System *has been the easiest and most effective modality that I have ever used, and I had done a whole lot of work on myself over the last 35 years. In the 35 years of trying different modalities, reading different books, working on healing the trauma of just being alive and to lose all the stored knowledge after the TBI was devastating to me. However, after investing in myself by joining Brain~Soul Mastermind and learning and using the B.R.A.I.N. System my life, my brain and my business has been transformed. I made 6 figures this year!*

– Deanna Stanley

Dr. Elsbeth Meuth Shares her light: *So grateful, Louise, for your attuned guidance of me that allowed me to clear residual holds from my childhood that had me get sick every time going back to my homeland seeing my family, held me back in being fully self-expressed in life, work and love. This is opening up for me greater freedom, full self-expression and 'I can do anything' attitude. My physical body feels lighter, my emotional self feels peacefully open-hearted and my spirit being is walking in the light.*

– Love and hugs, Elsbeth
